Dear Nicole,

We are pleased to announce that Kontainer Concepts has invented a new and unique product, THE KUPLID®. No competing product comes close in terms of features. The KUPLID® is designed with versatility, practicality and safety in mind for teabags, loose tea, cocoa or bullion. KUPLID® has an integrated one-piece cup lid with an infuser basket.

Please review the enclosed press release, brochure and visit [kontainerkoncepts.net](http://kontainerkoncepts.net) for more information and images. If you find this interesting, newsworthy and have any questions please call Ashok Syal at (703) 655-2279.

We look forward to hearing from you.

Sincerely,

Ashok Syal,
